## Preschool & Pre-Kindergarten Ministry

Our Savior School is an essential part of the educational program of Our Savior Lutheran Church. The program includes preschool and pre-kindergarten. It is under the direction of the Board of Parish Education.

A young child learns through love, discipline, exploration, participation, communication, trial and error, and Christian example.

Children need to learn how to cope with the challenges of the future while enjoying childhood. Childhood is a time for preparing for the purpose of Christian life-- that of serving God and fellow man.

The function of the school is to serve children and parents in the church and community in the task of bringing in the "little ones" to know His love and saving grace.

## Curriculum Approach

The curriculum of Our Savior Lutheran School is designed to meet the needs of each child. The approach is age-appropriate and caring in a warm, positive atmosphere. Activities are provided in areas of listening skills, pre-reading, math, science, art, music, children's literature, concept development, health, and nutrition.

## Jesus Time

SPIRITUAL LIVING--Learning to be a child of God will be experienced by the child on a daily basis. Emphasis will be based on: 1) knowing Jesus is their Friend and Savior, 2) knowing about God's work of creation and care of His world, 3) knowing the importance of Christian living, loving, and forgiving.

## Registration Fee

A \$60.00 registration fee is required for each child when enrolled. The fee is non-refundable. It guarantees your child's space in the Early Childhood Program.
